I. Meeting Called to Order
Chair Heidi de Laubenfels welcomed the members and guests. Ms. de Laubenfels called the meeting to order at 4:31 PM. Directors were invited to disclose any conflict of interest. There were none.

II. Station Business
Cash Flow Tracking & Financials
Ms. Mathes gave a deep dive overview of the FY20 projected end of year financials. Membership is currently at 22K over goal and Business Support is at 90% of goal despite COVID-19 financial struggles. Philanthropy is projected to about 1.3 million, about 65% of their goal. Major Gifts Team is also working on a Board and an Emeritus Board Campaign as well as a Top 400 Donor campaign. KUOW has received a grant from the Federal CARES Act. KUOW will continue to apply for grants that become available. Regarding expenses, there is a reduction against budget of more than 1.2 million while maintaining audience content service at pre-COVID-19 levels. If the stock market remains stable, KUOW will end FY20 with the Board mandated 91-day operating margin intact.

Going into FY21, there are assumptions of an economic recession, colleague nonprofits are going to struggle, competing priorities for philanthropists, sponsorships being down, and societal shutdown precludes live events. The anticipated net revenues are going to be down by $760K from FY20 and will cause a $900K deficit. There is no current plan to dip into Board mandated 91-day operating fund because that fund is our back up in a catastrophic emergency, such as an event when no fundraising can be done. Ms. Mathes outlined what cuts have been made and discussed reductions in operating cuts per department. May 15th, 2020 is the deadline to reassess FY 21 revenue projections and finalize
any necessary reduction in workforce. The announcement for any reduction in personnel or work hours will be made on June 1st, 2020.

Audience Trends
Ms. Jennifer Strachan discussed current audience trends. There is significant decrease in audience “out of home” listening during drive time hours and a decrease overall in radio broadcast listeners. Morning “Drive Times” seen increase in listeners later in the morning. The Record is having significant increase in listeners during the Stay-At-Home Order. Digital Streaming and Weekly Podcast Downloads are seeing an increase in listeners/users. KUOW is seeing historic numbers on kuow.org with four million-page views with continuing of 400K page views weekly.

Audience Development & Fundraising
Mr. Stewart Meyer gave an update on revenue and audience development. Mr. Meyer spoke about Membership’s fundraising campaigns - “We’re in this together” Campaign, “1-Day Drive to raise $1million” Campaign, “Giving Tuesday” campaign, and “GiveBIG Wednesday” campaign. Currently, approximately $ 1.2 million dollars have been raised, and there is an increase of 1840 Evergreen “sustaining” donors. Mr. Meyer provided the next steps for a “Thanks-a-thon”.

Mr. Meyer discussed on Major Gifts Campaign to raise 1,200,000 by June 30. Major Gifts is targeting “Top 400” major donors and prospects. They surpassed this goal and have reached out to 1300+ total. KUOW Governing Board assisting with its own $50,000 goal. Emeritus Board assisting with a $100,000 goal. Major Gifts has submitted $100,000 grant proposal to Facebook. The Campaign results thus far: $581,819 pledged (48% to goal). The KUOW PSPR Board has raised $66,950 (134% of Goal).

Mr. Meyer informed that the pandemic had an impact on Business Support, there is nearly $600K shortfall in revenues. Business Support is checking-in with current clients; offering to pivot their messaging and offering loyal, longtime supporters bonus spots for staying on. They are also calling on businesses that need messaging right now (e.g., online courses, tutoring services, telehealth, online exercise classes, online retailers, etc.) and reaching out to offer non-profit supporters bonus spots. Mr. Meyer announced that Ms. Courtney Miller has been hired as the Director of Business Support.

Mr. Meyer discussed audience engagement and adjustments to new consumption habits. Marketing has stepped up on various emails a week to members. Emails highlight KUOW content and community connection. KUOW has expanded to using YouTube and was approved as verified non-profit which allows KUOW to fundraise on the platform. Community Engagement and Events Team are working on several virtual events - “That’s Debatable” and “Are We Going to Be OK?”.

Mr. Meyer highlighted trends and future consumption habits as a result of the Stay-At-Home Order. The COVID-19 pandemic has only accelerated changes that were already in process including the major shift over to On-demand streaming, increase use of Social Media, and leaning further into KUOW Mission and Values. KUOW will need to push up the timeline to invest in the Digital Roadmap, maintaining cross-platform agility, and continuing to build deep partnership with those who share our mission/values.

III. Committee Reports

Ms. Mathes introduced the new Assistant Attorney General, Nancy Garland, for KUOW from UW.

Executive Committee

As of March 31st, 2020, KUOW’s investment portfolio had a loss $1.3 Million but investments have still outperformed compared to other investors. KUOW’s portfolio is performing as expected and KUOW’s Risk Profile is in line with the endowment and long-term accounts. Mr. Jay also updated the board on researching Socially Responsible Investments with Bernstein. Mr. Jon Schorr shared the Finance Committee’s current priorities are to review the information about Socially Responsible Investments from Bernstein, finalize changes to the ISP, and review and implement the proposed FY21 Budget.
