3/18/2023 18:12	Incoming	<p>Mr. Mayor</p> <p>Sorry about disturbing you over the weekend but, I thought you would be interested to see a couple of photos from this afternoon at Denny Blaine Park. I did take the liberty to black out the “privates” but, rest assured, there were many today in the park. I did send the photos to AP and Christopher and as you might recall, I’m a big fan of Christopher. This is disgusting and as you’ve said, we’re on the right side of this issue.</p> <p>I hope you agree that we need to get ahead of this or it will be more difficult once the good weather returns. Christopher has said that they’re 2 weeks away from a plan, I hope that’s true and that the plan can get put into action immediately thereafter.</p> <p>Thanks for taking the time to read this message. I’m not complaining about Parks, I’m just seriously concerned that we just cannot let another year go by, it’s just DISGUSTING!</p> <p>Best to Joanne,</p> <p>Stuart</p>
3/18/2023 18:26	Outgoing	Sent to AP.
3/18/2023 18:27	Incoming	Thank you Thank you
3/18/2023 18:27	Outgoing	i will get it done.
3/18/2023 18:29	Incoming	I have all the confidence in the world that you will.
3/18/2023 18:40	Outgoing	Chris and AP report to Adiam Emery, on my Executive Team. She is an Engineer, a sharp leader, and will call you. She is well versed on the issue and very talented.
3/18/2023 18:49	Incoming	Thank you but, Adiam just called and she’s on it. So, please go enjoy Maui and hopefully, for the last time, I APOLOGIZE for disturbing your weekend. I never expected you to take “immediate” action so, have fun in Maui. Best, Stuart (a new friend).
3/18/2023 19:00	Outgoing	If I didn’t trust the friendship I wouldn’t have been so direct.
3/18/2023 19:08	Incoming	I hear you and appreciate the beginning of our friendship. I do agree that you have an enormous job and you are definitely chipping away at and solving many many problems. Not many new mayors have the community support you have. It doesn’t go unnoticed. Thank you as a citizen and a friend.

6/2/2023 9:44	Outgoing	I have been made aware of the fact that the problem of nudity and hazardous waste has become totally totally unacceptable at the beach. If you are disgusted I share your disgust. Executive Adiam Emery will be working with you to address the issue and I apologize it has not been done quickly and effectively. The law department pushed back on one strategy but I am committed to figuring this out. I am assuming you are frustrated and I think your frustration is very reasonable. I know you want results and not an apology so I hope the later is quickly forthcoming
6/2/2023 13:17	Incoming	Mayor Bruce, I very much appreciate your message, thank you. I am expecting to hear from Adiam today re: her desire to meet with me next Thursday in person on what she feels are short as well as long term solutions. With the continued bizarre behavior and progressively getting worse, that fundamentally, enforced rules MUST be established and enforced. What is happening because there aren't enforced rules, Denny Blaine Park is an attraction for a sub-group of people from all over, not just Seattle, that have very different morals than most of the people in Seattle, you and me included. So, that sub-group are absolutely keeping the clear majority of Seattleites away from Denny Blaine Park. Again, thank you and in hope that results will be sooner rather than later.
6/14/2023 7:54	Incoming	Mayor Bruce, Could you and I talk sometime at your convenience? Phone would be OK, in person much preferred! Best, Stuart
6/14/2023 7:57	Outgoing	I'm on flight to Japan for White House G7 conference. I will try to call should I be able to. Joanne and Adiam on flight
6/14/2023 8:00	Incoming	Thank you. You're in very good company.
6/14/2023 15:04	Outgoing	Sorry I had to rush. I'm instructing Adiam and team to take a more aggressive and immediate approach and next week we can chat about "emergency strategies" or anything reasonable to restore the park to a normal and reasonable use.
6/14/2023 15:32	Incoming	Thank you Safe travels!
