1.6 Full-Time and Part-Time Job Openings	
Enter the total number of full-time and part-time openings that occurred during the fiscal year. Include both vacancies in previously filled positions and newly created positions. Include all positions that became available during the fiscal year, regardless of whether they were filled during the year. If a job opening was filled during the year, include it regardless of whether it was filled by an internal or an external candidate. Do not include as job openings any positions created through the promotion of an employee who stays in essentially the same job has a different title (i.e. where there was no vacancy or newly created position to be filled.) If no full-time or part-time job openings occurred, please enter zero.
