II. Conflict of Interests

There were no conflicts of interests.

III. Approval of Minutes

Mr. Jay then called for the approval of the Minutes of August 17th FISC Meeting. Mr. Schorr moved to approve, Mr. Lavery seconded; the motion was carried, the Committee approved the minutes as presented.

IV. Q3 2021 Quarterly Report

John Patnaude from Bernstein presented third quarter calendar review of the investment portfolio. Overall, He reviewed the Endowment and Long-Term portfolios where both accounts are performing well, ahead of benchmarks after fees. He also highlighted that while the Socially Responsible Investments did well, they did not do as well as the non-Socially Responsible Investments. It was currently prudent to maintain the blended approach having both Socially Responsible and non-Socially Responsible Investments and review adjusting the ratio between them over the upcoming years.

Mr. Lavery discussed with the committee and Bernstein on the steps taken to reconcile reporting to ISP and Bernstein. It was focused mainly on adjusting naming of “Endowment” and “Long-term” with Bernstein to ISP’s naming of “Long-Term Investment Pool” and “Intermediate Investment Pool” respectively. Also, he led a discussion with the committee on the steps he has taken to revise ISP to allow Socially Responsible Fixed Income, or Socially Responsible Bonds, to be implemented by the committee and the PSPR Board.

Mr. Jay then called for the approval of the revisions Investment Statement Policy. Mr. Liam Lavery moved to approve, Dr. Kioko seconded; the motion was carried, the Committee approved the revisions to Investment Statement Policy as presented to the Finance Committee.
