III. FY23 Budget Presentation

A. FY22 Year End Report & FY23 Budget Presentation

Ms. Mathes presented the FY22 Year-End Report and the FY23 Budget. She highlighted the Strategic Impact Framework (SIF) Outcomes and the success of the "Whole Funnel" synergetic approach between the Content Department, the Marketing Department, and the Revenue Departments. The board approved 2.1 million bridge funds, a 28% increase from FY21, to support the FY22 budget as KUOW came out of the pandemic.

KUOW was on track to end FY22 on an 8.2% increase in revenue from FY21 versus the 6.1% initial anticipated and, only a 12% increase in spending versus the projected 28% from FY21. The decrease in anticipated spending was primarily due to slowness in hiring.

For FY23, the goals were to consolidate SIF outcomes, reduce the number of strategies, and combine operational and SIF KPIs. There was an anticipated 9.4% increase in revenue from FY22 to FY23.

KUOW Management recommended not to withdraw FY22 Endowment.
Motion:
Mr. Harris asked for a motion to move forward with the proposed FY23 Budget to be presented to the Joint Finance & Executive Meeting on June 9, 2022.

Motion moved by Jon Schorr and motion seconded by Mark Ashida. With none opposing, the FY23 Budget Presentation moves to the Executive Committee for approval.
