III. FY23 Budget Presentation

The board approved 2.1 million bridge funds, a 28% increase from FY21, to support the FY22 budget as KUOW came out of the pandemic.

KUOW was on track to end FY22 on an 8.2% increase in revenue from FY21 versus the 6.1% initial anticipated and, only a 12% increase in spending versus the projected 28% from FY21. The decrease in anticipated spending was primarily due to slowness in hiring.
